# Old ~ **Planters**

The Hawaiian Gazette Co. has, at considerable expense, succeeded in completing a limited number of sets of Planters' Monthlies from Vol. 1 of 1882 up to the first of the present year.

Of the earlier numbers, long since out of print, many issues were entirely exhausted, making it necessary to reset and reprint all such numbers, thus adding materially to the cost. This extra expense was more than justified however, by the valuable nature of much of the matter contained in these old numbers, matter that cannot be found elsewhere than in these books and that is valuable really beyond price to the plantation interests.

These Planters are uniformly bound in full law sheep, giving them as attractive appearance in addition to their durability.

Anyone desiring a complete set, or any part of a set, would do well to communicate with the Cazette Co. at an early date, as there are but very few sets available at the present time, and in order to complete more sets it will be necessary to reset and print more back numbers, thus increasing the cost still more.
